factories and Manufacturing Capability

OUR

Hospitality

250 CONTAINERS / MONTH

OUR

Kitchen Cabinets and Vanities

90 CONTAINERS / MONTH

In today's homes, kitchen cabinets are essential, while RTA products save expensive freight. Our 30,000 m2 factory manufactures mostly for US cabinet and RTA product retailers while another smaller factory caters to high-end customers in Vietnam under the Meister brand using top technology and equipment we imported from Germany and Italy.

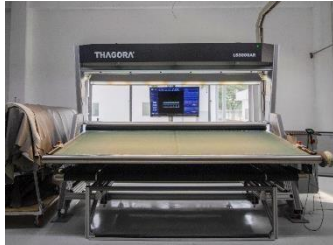

OUR

Upholstery

200 CONTAINERS / MONTH

We design, manufacture, and construct sofas for many domestic and international projects, as well as for retailers.

We produce our own frames and upholster our sofas, chairs, pillows, cushions with both fabric and leather in 27,000 m2 of space under roof. Natuzzi of Italy is our partner and we share their upholstery expertise.

OUR

Metal

We are proud to say we own the best metal furniture factory in Vietnam with welding robots and the latest plating/coating lines.
